A Grade Teak
Outdoor Weave
Shadow Grey / White Wash

TEAK is a durable hardwood timber that's been used for boat building and furniture making for centuries, thanks to its strength and longevity. Teak will survive many years outdoors with little or no structural deterioration thanks to its highly water-resistant quality and natural oils. We carefully select A Grade Teak.

REHAU OUTDOOR WEAVE is a premium synthetic weaving material which is UV resistant, weatherproof, temperature resistant, strong, durable, maintenance-free, easy to clean, non-toxic, environmentally friendly, colourfast and scratch-free.
