OPITO / KAURI BAY, NZ

Opito Lounge 2 Seater Armless

Crafted with smooth curves and plush cushions, the Opito lounge collection brings understated luxury and ultimate comfort to the outdoors. Drawing inspiration from Opito Bay — a quintessential white sand beach that gently curves around a remote stretch of New Zealand's Coromandel Peninsula. Designed to reflect Aotearoa's beauty and endure her elements

The Opito Armless Lounges can be used individually or make up a modular setting with other Opito Lounge pieces.

TEAK is a durable hardwood timber that's been used for boat building and furniture making for centuries, thanks to its strength and longevity. Teak will survive many years outdoors with little or no structural deterioration thanks to its highly water-resistant quality and natural oils. We carefully select A Grade Teak.

SOLUTION DYED ACRYLIC FABRIC is a durable, high-performance synthetic fabric made by adding coloured dye to the acrylic fibers. This makes it one of the most fade resistant fabrics, ideal for harsh UV rays. It's also mildew resistant, highly durable, and soft to touch.

QUICKDRY RETICULATED FOAM is used for our cushion inners. This foam has large pores to allow water to drain quickly and air to circulate, ensuring it maintains its shape and comfort despite the elements.
