Opito Low Table

The Opito Low Table brings indoor luxury to the outdoors. Crafted from A Grade Teak and a ceramic tabletop, this table will steal the spotlight. Place in the centre of your outdoor space to rest al fresco grazing platters and drinks. Designed to reflect Aotearoa's beauty and endure her elements.

TEAK is a durable hardwood timber that's been used for boat building and furniture making for centuries, thanks to its strength and longevity. Teak will survive many years outdoors with little or no structural deterioration thanks to its highly water-resistant quality and natural oils. We carefully select A Grade Teak.

CERAMIC is an elegant yet hardworking stain, scratch and fade resistant material. The variations in marble look and texture add a touch of luxury to the outdoors.
