

Since 1976.

DEVON®

Porter Side Table

The Porter side table is crafted from solid A Grade Teak. With elegant angled legs, it is a stylish and versatile finishing touch for any outdoor setting. Designed to reflect Aotearoa's beauty and endure her elements.

FRAME

A Grade Teak

TEAK is a durable hardwood timber that's been used for boat building and furniture making for centuries, thanks to its strength and longevity. Teak will survive many years outdoors with little or no structural deterioration thanks to its highly water-resistant quality and natural oils. We carefully select A Grade Teak.
