A Grade Teak
Solid Teak or optional Ceramic insert
Sanded Teak / Nebula Nero
2 people / More sizes available

TEAK is a durable hardwood timber that's been used for boat building and furniture making for centuries, thanks to its strength and longevity. Teak will survive many years outdoors with little or no structural deterioration thanks to its highly water-resistant quality and natural oils. We carefully select A Grade Teak.

CERAMIC is an elegant yet hardworking stain, scratch and fade resistant material. The variations in marble look and texture add a touch of luxury to the outdoors.

Rere Dining Table / 1500

The Rere Collection is outdoor luxury at its finest. Crafted from fine sanded Teak, with an optional ceramic tabletop, this dining table for 4 is a family favourite. Designed to reflect Aotearoa's beauty and endure her elements.
