DEVON®

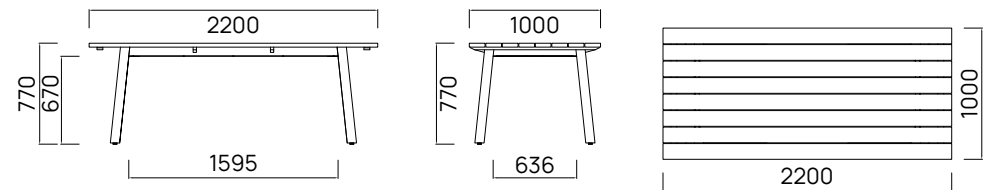

St Clair Dining Table

The timeless design of the St Clair table makes it the go-to for any style outdoor space. Crafted from solid Teak with splayed legs to offer stability and enough space to entertain the whole family in style. Designed to reflect Aotearoa's beauty and endure her elements.

A Grade Teak
6 - 8 people

Teak is a tropical hardwood that's been used for boat building and furniture making for centuries. Compared to many timbers, Teak will survive many years outdoors with little or no structural deterioration thanks to its density and oils which make it naturally resistant to water and insect infestations. We carefully select and use only the finest grade teak.
